Unit Framing - Interior Walls	2" x 4" and 2" x 6", #2 SPF, 16" OC
Unit Framing - Interior Ceilings	2" x 4", 16" OC or 2" x 6", #2 SPF or suspended metal grid

**4 FINISH FLOORING**

Area	Type
Entire Unit (with noted exclusions below)	5/8" engineered hardwood, finished in place
Laundry or Utility Rooms	Concrete or ceramic tile (varies by unit)
Powder Room	3/4" hardwood, finished in place
All Baths Rooms (excluding Powder Room)	Ceramic tile

**5 INTERIOR GWB**

Location	Type
All walls (excluding full bathrooms)	5/8" GWB
All ceilings	5/8" GWB
Bathroom walls and ceilings	5/8" "moisture resistant" GWB

**6 ROOFING, GUTTERS and DOWNSPOUTS**

Item	Description
Roof Insulation	R-25 over metal deck
Flat Roofs	TPO, "white"
Visible Flashing Flashing/Counterflashing	"Freedom Gray Copper"
Non-visible Flashing Flashing/Counterflashing	"Freedom Gray Copper"
Collector Heads and Downspouts	"Freedom Gray Copper"

**7 INTERIOR DOORS and TRIM**

Item	Description
Interior Doors	8'0" x 1 3/4" solid core, paint grade, design to be selected by Declarant
Base	1" x 3" or 1" x 4"
Crown Molding	None
Door Casing	To be selected by Declarant
Window Casing	GWB return(s)
Shelving - Master Closet	Two (2) stacked shelves, 3/4" plywood, painted in place. Double rodded
Shelving - All Other Closets	Two (2) stacked shelves, 3/4" plywood, painted in place. Double rodded
Shelving - Linen Closet	Five (5) stacked shelves, 3/4" plywood, painted in place
Shelving - Pantry	Five (5) stacked shelves, 3/4" plywood, painted in place

**8 EXTERIOR WINDOWS**

Item	Description	Remarks
Type	Pella "Architectural", insulated, casement (tempered as required by code)	No screens
Material	"Black" finished clad exterior and "Black" finished interior(s)	
Weather-stripping	By window manufacturer	

**9 ENTRANCES AND EXTERIOR DETAIL**

Item	Description	Remarks
Main Entry Door - 1st Floor Units	To be selected by Declarant	No screen
Other Entry Doors - All Other Unit Foyers	To be selected by Declarant	No screen

**10 CABINETS, VANITIES and MIRRORS**

Item	Description	Paint
Kitchen Cabinets	To be selected by the Declarant	Field painted
Kitchen Countertop(s)	To be selected by the Declarant	
Kitchen Backsplash(es)	To be selected by the Declarant	
Bathroom Vanities - "floating"	To be selected by the Declarant	Field painted
Bathroom Vanity Countertop(s)	To be selected by the Declarant	

**11 BATH TUBS**

Location	Material
Bath Tubs	Acrylic

**12 PLUMBING**

Item	Description
Sanitary Sewer Drops	PVC, insulated
Sanitary Branches and Vent Piping	PVC
Water Piping	PEX
Domestic Water Heater	Tankless, re-circulating, natural gas

**13 PLUMBING FIXTURES**

Item	Description
Bathroom Shower Fitting(s)	To be selected by the Declarant
Bathroom Faucet(s)	To be selected by the Declarant
Bathroom Toilet(s)	To be selected by the Declarant
Bathroom Tubs	To be selected by the Declarant
Kitchen Pot-Filler	To be selected by the Declarant
Kitchen Sink	To be selected by the Declarant
Kitchen Faucet	To be selected by the Declarant

**14 HVAC**

Item	Description
Supply Duct	Metal main, flexible insulated distribution
Return Duct	Metal main, insulated flexible as required
HVAC - Two (2) Units	14 SEER AC, gas furnace (92%)
Additional Gas Services	Provided to fireplace(s), range and hot water heater
Thermostat	Digital, connected to "smart system" for Unit

**15 ELECTRIC**

Item	Description
Service to Unit	200 AMP
Distribution Wiring	Copper
Wire Between Meter and Service Panel	Aluminum
TV	1 to each TV location, wired to data closet
CAT 5	2 pairs wired to all locations where TV's located, wired to data closet
Burglar Alarm (ground floor units only)	Basic system included in "smart wiring" of house
Lighting - Recessed Lighting Fixtures	Various locations, dimmable LED, clear "Alzak" finish
Lighting - Other	LED undercabinet lighting in Kitchen, all closets include flourscent LED lighting

**16 INSULATION**

Location	Material
Exterior Walls	Full-stud thickness batts
Sound Batts (walls/ceilings as applicable)	Master Bedroom, all bathrooms, Powder Room and Utility Room

**17 HARDWARE**

Item	Description
Front Door Hardware	Baldwin or equal - to be selected by the Declarant
Exterior Door Hardware (except front door)	Baldwin or equal - to be selected by the Declarant
Interior Door Hardware	Baldwin or equal - to be selected by the Declarant
Hinges (all interior)	Baldwin or equal - to be selected by the Declarant

**18 APPLIANCES**

Item	Description
Range	36" "Dual Fuel" Wolf (or equal as standard)
Microwave	Wolf Drawer Microwave (or equal as standard)
Refrigerator	42" Stainless Steel Front Sub Zero (or equal as standard)
Dishwasher	Stainless Steel Front KitchenAid (or equal as standard)
Vent Hood	Wolf (or equal as standard)
Garbage Disposal	Insinkerator (or equal as standard)

**19 GENERAL NOTES:**

Throughout development, the Declarant may substitute "equal" or better equipment, materials or finishes.

All "allowance items" shall be selected by the Buyer unless previously selected by the Declarant.

Unless otherwise agreed to in writing, all materials, details, landscaping, colors and finishes are subject to the Declarant's selection.

The Purchaser may choose, up to two (2) standard interior wall colors and three (3) standard interior trim colors. Dark, metallic, high-gloss and "eggshell" finishes are additional cost.

Typically, the ceilings in the Family Room, Dining Room, Den and all Bedrooms shall be 9'6" in height. Typically, Foyers and Bathrooms have 9'0" ceilings.
